EXCELLENCE, DEDICATION, EXPERTISE

Cosgrove Law, LLC is a law firm providing litigation and securities law services.

Our litigators regularly handle investigations, trials, arbitrations, mediations, and administrative and regulatory proceedings involving a variety of complex issues, ranging from commercial transactions to investment and estate disputes to fraud and negligence claims.

Our clients include public and privately-held businesses, brokerage and advisory firms, and individuals from around the nation.

Our experience includes the representation of individuals and companies in various industries.

We represent both plaintiffs and defendants and offer flexible and competitive fee arrangements. Our attorneys and staff are passionate about providing the *very best client service* possible as well as the *very best legal representation*.

Our Managing Member, **David B. Cosgrove**, previously served as Missouri's Commissioner of Securities and as Chief Counsel for the Consumer Protection Division of the Missouri Attorney General's Office. Mr. Cosgrove has extensive experience as a **litigator, expert witness and compliance consultant**.

Mr. Cosgrove's 20+ years practicing law have given him a breadth of experience advocating for clients. Mr. Cosgrove graduated cum laude with a Bachelor of Arts degree in Economics from the University of Notre Dame, where he also earned his Law Degree. He is the recipient of the prestigious Lon O. Hocker Award for trial advocacy from the Missouri Bar Foundation.

Member **Kurt J. Schafers** has experience in commercial, products liability, premises liability, and real estate litigation. Mr. Schafers has represented Fortune 500 companies and other business entities in state and federal courts and in arbitration proceedings throughout the United States. Mr. Schafers received his law degree from St. Louis University School of Law, cum laude.

We have the experience and the resources to handle all manner of adversarial situations. We *expertly and aggressively represent companies and individuals*. We have recently represented clients in litigation and investigations in such areas of dispute as:

- Securities fraud claims
- Insurance regulations and investigations
- White collar crime
- Mortgage and annuity fraud
- Broker contracts and compensation
- ERISA/Pension Plan claims
- Corporate governance
- Commodities

- Negligence/serious accident claims
- Trustee fiduciary duties
- Professional licensing
- Unlawful merchandising
- Attorney General suits
- Breach of contract
- Bank fraud
- Contingent fee corporate collections and disputes
